

NAAC DVV CLARIFICATION

1.1.2 PERCENTAGE OF PROGRAMMES WHERE SYLLABUS REVISION WAS CARRIED OUT DURING THE LAST FIVE YEARS

Response: 70.13%

1.1.2.1 How many programs were revised out of total number of programs offered during the last five years

HEI Input : 54

DVV Recommended Input : 51

Change in Input : 54

Justification:

HEI while submitting the data during SSR submission in the data template by mistake the year of revision was entered as 2022 instead of year 2023 for the programmes M.Sc Medical Anatomy, M.Sc Medical Physiology, M.Sc Medical Biochemistry. HEI has now corrected the data and submitted the revised data in the data template along with the relevant BoS towards the revision of the syllabus for the above mentioned programmes. DVV may kindly accept the HEI change in input.

S. No.	DVV Clarification	HEI Response
1	In the data template HEI has provided the complete list of all 77 programmes offered, only programmes where revision has taken to be included. HEI to rework the data template	As per the DVV Suggestion, HEI has rechecked the submitted data and provided only the list of programmes where the syllabus revision has been carried out during the last five years. DVV may kindly accept the HEI change in Input.

S. No.	DVV Clarification	HEI Response
2	HEI to highlight in each minutes of meeting of BoS the programme content / course that is being revised	As per the DVV Suggestion HEI has highlighted the programme content/course which is revised in each minutes of meeting of BoS.
3	Revision of courses below 20% will not be considered as revision	As per the DVV Suggestion , HEI has considered and included only the courses where the revision in the content of the syllabus subjected to revision of more than 20 % content.
4	DVV partner observation : For the programmes M.Sc Medical Anatomy M.Sc Medical Physiology M.Sc Medical Biochemistry the year of introduction and the year of revision are the same and hence cannot be considered under the logic that change cannot be there at the inception of the programme HEI to recheck the data for the metric 1.1.2	HEI has rechecked the submitted data in the data template and found that by mistake the year of revision was entered as 2022 instead of year 2023 for the programmes M.Sc Medical Anatomy M.Sc Medical Physiology M.Sc Medical Biochemistry. HEI has now corrected the data and submitted the revised data in the data template along with the relevant BoS towards the revision of the syllabus for the above mentioned programmes. DVV may kindly accept the HEI change in input.
