1	DVV partner observation : the sanction letters from ministry of social justice and empowerment pertain to Grant-in -aid to the JR Tantia charitable trust and not to the university or a hospital or department	HEI has received the Sanction letter in the name of the trust and the same amount is transferred to the HEI and the amount is entered in the Provision Section of the Audited statement of the HEI. The Provision Section of the Tantia University Audited statement has been provided for the DVV partner consideration . DVV may kindly accept the HEI submitted input.
2	The grant -in -aid does not mention the research project title which effects the veracity of the claim in metric 3.2.2	For DVV partner kind observation, the name of the project and name of the scheme were highlighted in the Sanction letter for the DVV partner consideration of the claim.
3	HEI to also provide the audited statement mentioning the amount provided as research grant .DVV partner is reducing the said claim to zero till sufficient evidence is provided by HEI	As per the DVV suggestion, HEI has provided the audited statement mentioning the amount highlighted in it in the Provision Section <i>(As the Government grants required full utilization and if any amount is left it need to be returned to the sanctioning authority with interest, its entry is brought in the Provision Section of the Audited statement)</i> DVV may kindly accept the HEI submitted input.
